

NDIS Local Area Coordination

How can we assist?

Local Area Coordinators, or LACs, work with people with disability, their families and carers to:

- help understand and access the NDIS
- connect with community supports and services
- put their NDIS plan into action
- work towards making communities more inclusive and welcoming of people with disability

We acknowledge the Traditional Custodians of the land where we live and work and their continuing connection to land, water, sea and community. We pay respects to Australia's First Peoples, to their unique and diverse cultures, and to Elders past, present and future.

Inclusion is about the actions we take every day. We welcome, support, and celebrate diversity.

We help businesses become more accessible

We want communities to be accessible for all people. That's why we created our No Limits! program.

We can assess your business or organisation and suggest simple changes and accessibility features which open doors for everyone.

We also help workplaces to increase their inclusion and diversity using wheelchair sports, blind cricket, and engaging presentations.

Talk to us about making your school more inclusive

We run fun programs to educate and assist in making schools more inclusive for everyone:

- Sports Ability
- Blind Cricket
- Different on the Outside, Same on the Inside
- Milkiri
- My Friend Franklin

Our in-school programs are run by staff who are living with disability and want to share their knowledge, achievements and messages of inclusion with children of all ages.

Celebrating inclusion, difference and disability

Photovoice is a 5 week course for people with disability designed to capture aspects of people's environment and experiences, to share with others.
