**Thursday 5<sup>th</sup> May 2016 from 9-2pm**

Would you like to know more about public and accessible transport options within the Byron Shire?

Northern Rivers Social Development Council's (NRSDC) Transport Development Project will be running a free transport information stall outside the Mullumbimby IGA on Thursday 5 May 2016 from 9-2pm.

NRSDC's Transport Development Officer, Alex Lewers, said the day is an opportunity for the community to find out about the range of transport opportunities available and is a chance to have their voice heard on how to improve the public transport system.

"If you have a burning question about transport in your area, or just want to find out what services are available, come on down and have a chat," said Mr Lewers.

Available on the day will be information on:

- Car pooling
- Community Transport
- Cycling and active transport
- Public transport
- Bus timetables
- Concessions
- Taxis and taxi subsidy schemes
- Transport for health
- Transport services for Aboriginal people
- Transport services for young people (YAXI)

Local service providers will be on-hand to answer your questions and advise you on the services and concessions that are available and how you can access them.
