**RECONNECT ]**

**Reconnect with home, work and  
community to make positive  
change for your life**

**An early intervention program for 12- 18 year olds**

We acknowledge the Traditional Custodians of the land where we live and work and their continuing connection to land, water, sea and community. We pay respects to Australia's First Peoples, to their unique and diverse cultures, and to Elders past, present and future.

Inclusion is about the actions we take every day. We welcome, support, and celebrate diversity.

**Reconnect assists young people (12-18 years) who may be at risk of becoming homeless due to the breakdown of family relationships**

**We provide counselling, mediation and practical support for young people and their families.**

**We can support young people to:**

- work out stable living arrangements
- work things out with their family
- address any other relationship concerns
- stay in school even when it gets tough.

**We can support families to:**

- work things out with the young person
- find out the best way to talk things through
- learn to live together when things are hard
- learn to live apart but stay connected.
