# BLIND CRICKET

A disability awareness and inclusion experience

Our 90 minute Blind Cricket sessions are delivered by former captain of the NSW Blind Cricket Team, Scott Jones.

Scott shares his own story of living with a disability and explains how mainstream activities can be adapted to include people with disabilities.

Perfectly pitched toward students in upper primary school, we can work with your school to adjust for the preferred group size.

Students will take part in an interactive game of blind cricket that will see them using experiential glasses and chime balls to experience first-hand how activities can be adapted to include people with vision impairment.

**Call today to talk to us about delivering this free program in your school.**

**Developing an inclusion mindset through fun and games!**
