

LITTLE DREAMERS

**NOW delivering free programs
in the North Coast region!**

We support young people aged four to 25 who provide care for a family member affected by disability, chronic or mental illness, substance use, or frail age.

You don't need to be the sole carer or main carer to access our free programs.

**If you help someone else with their everyday life,
we would love you to apply for support!**

Apply for support:
